Prayer Rosary Rally to Combat Potential Promotion of Heresies

The Association of U.S. Catholic Priests (AUSCP) is holding its annual assembly in St. Louis this year.

<https://www.uscatholicpriests.org/>

Founded in 2011 they brag they are the largest association of Catholic priests. That is misleading and incorrect. Everyone knows the largest association is the Catholic Church!

Instead of focusing on the worship of our LORD and His and His Holy Trinity's supernatural nature, saving souls and spreading the one True Faith to all nations as is our great commission, they take a different road. They are attempting to create a "new church" to replace our 2000 year-old Church by influencing bishops. They stress secular issues which divert people from and are contrary to our One True Catholic Faith; these topics include:

Perpetuating Racism

Homosexual Clergy and religious

Climate change

Priestless parishes

Ordination of women to permanent deacons

Unbridled immigration

Laity action/Petition: Aside from joining us for our public rally, If you are opposed to this event and its being held in our St. Louis Archdiocese, you may contact appropriate authorities, including the keynote speaker for the group's annual event , Cardinal Cupich, the Archbishop of Chicago. He, as all prelates, can be contacted through his office. The full detailed schedule of their meeting is available to you at USCatholicPriests.org.

Bring: bring rosaries and any appropriate signage if you wish.

Where: in front of the Marriott Hotel, Airport

When 24 June, 2019, 4 pm start time
