

PROCURATOR MANDATE

Being of canonical age (14 years; c.f. Canon 1478§3) and having interest in this matter as a baptized Catholic, or married to a Catholic, with domicile or quasi-domicile in the Archdiocese of St. Louis, I oppose any intention or act by ecclesiastical authority that would result in the notable alteration of the Archdiocese of St. Louis by way of large-scale parish mergers, or any other notable alteration, at this time and under the present circumstances. I oppose the use of an outside consultation firm, particularly one that may or has introduced predetermined proposals and thereby excluded the possibility of lawful and genuine collaboration with the Faithful who would be most affected by such alterations within the Archdiocese. That my intentions and opposition to such acts will be properly communicated within the appropriate ecclesiastical processes, I hereby appoint **Robert F. Onder, M.D., 2090 Key Harbour Drive, Lake Saint Louis, Missouri 63367**, as my Procurator in accord with the norms of Canon Law. By this mandate, I allow my Procurator to act in my name as the law allows to advance my interests identified above, and to represent these interests in legitimate processes of the Catholic Church related to this issue. For purposes of any proceedings, my Procurator's address as noted above is my official address for notifications and communications. I expressly direct my Procurator to initiate petitions for the cessation of the All Things New initiative, make appeals, and take necessary actions, even ancillary or related actions, whether at the diocesan or supradiocesan levels, to pursue my intentions noted above. In addition to the usual powers granted a Procurator in Canon Law, this mandate grants my Procurator the following powers:

1. The power to appoint an Advocate in Canon Law who will guard my interests in accord with the norms of law. I expect the appointment of this Advocate will grant the Advocate the power to make petitions or appeals without prior consultation of my Procurator or me, if such acts are consistent with my intentions noted above and my Procurator is impeded, refuses to act to protect my interests, or cannot be reached in sufficient time.
2. The power to appoint a Procurator/Advocate in Rome if it becomes advantageous to do so.
3. The power to appoint an Alternate Procurator to serve if my Procurator is impeded from acting and action is necessary to protect a right or advance my interests. In order that prevention is operative, if an Advocate is appointed as well as an Alternate Procurator, the Alternate Procurator must be impeded, refuse to act, or cannot be reached in sufficient time before the Advocate may exercise procuratorial powers.
4. The power to renounce action or strike a bargain if I have been given a reasonable opportunity to be heard and take personal action.

I retain my right to receive copies of all notifications and communications sent to my Procurator on this matter, and I retain my right to reply personally.

By this mandate, I firmly establish my intention to protect my interests in this matter by pursuing petitions and lawful appeals in accord with Canon Law, even appeals to the Supreme Tribunal of the Apostolic Signatura or Petitions to the Holy Father. Only an authenticated communication received by my Procurator changes my intentions expressed herein.
